Dear Mr Ransen

May 31, 2011

How are you, I hope you're doing fine and healthy as always! I always put you in my prayer, all the best thing for you always.

Mr Ransen, my study is now in the 4th semester and I have finished 5 credits, 3 more to go until July. Thanks God everything went well so far.

The study is getting harder and harder, but I tried my best to finish them as much as I can. In the beginning of August I will start my 5th semester, I lost the count of time, in the next 2 years I will finish my study and I can not wait for that moment!

A thousand thanks can not express my gratitude for all you have done in supporting my studies, I can only ask God to repay you... in His time, the most appropriate time for you!

I also attached some of my latest picture for you...

Thanks

Yanti
